Co/champions were decided because of their ability to match scores stroke for stroke the entire two days.

Players were in flights by age and gender for playing golf. They were given medals according to the number of players in their flight

Flights by age and gender with only one player received a GOLD medal.

Flights by age and gender with two players received a GOLD or Silver.

Flights by age gender with three players received a GOLD, Silver or bronze medal

Putting totals covered the entire field of golfers by gender. Putting was not by flight.

In partnership with the Meijer State Games the Unified Golf Team was included in the tournament. These two teams included a cognitively challenged player and a non-cognitively challenged players. They had a special set of rules and only competed against each other.

The team of Travus Thrun and his grandmother Kim Frisch took the GOLD medal with a 9 hole score of 63.

The team of Diego Mas and his 15 year old sister Gabriela Mas took the Silver Medal with a 9 hole score of 72.
